(5) Post-Tender Offer Reorganization Policy (Matters Relating to Two-Step Acquisition)

(Before Amendment)

As explained in section “[1] Tender Offer Overview” of “(2) Grounds and reasons for our opinion” above, if the Offeror cannot acquire all of the Company Shares and Share Acquisition Rights (including Restricted Shares and the Company Shares to be delivered as a result of exercising Share Acquisition Rights, and excluding treasury shares held by the Company and the Non-Tendered Shares) in the Tender Offer, after the successful completion of the Tender Offer, the Offeror plans to carry out the Squeeze-out Procedures in order to acquire all of the Company Shares and Share Acquisition Rights (including Restricted Shares and Company Shares to be delivered as a result of exercising Share Acquisition Rights, and excluding treasury shares held by the Company and the Non-Tendered Shares) using the following method.

Specifically, after the completion of the Tender Offer, the Offeror plans to request the Company to convene an extraordinary general shareholders meeting that includes in its agenda items a resolution for the Share Consolidation in accordance with Article 180 of the Companies Act and an amendment to the articles of incorporation eliminating the provisions for share unit number, subject to the coming into effect of the Share Consolidation (“Extraordinary General Shareholders Meeting”), and the Offeror and Non-Tendering Shareholders plan to vote in favor of all of the agenda items at the Extraordinary General Shareholders Meeting. In view of enhancing the Company’s corporate value, believing that it is desirable to have the Extraordinary General Shareholders Meeting at an earlier stage, the Offeror plans to request the Company to make a public notice that it will set a record date during the Tender Offer Period so that after the settlement commencement date of the Tender Offer, a date close thereto will be the record date for the Extraordinary General Shareholders Meeting, which is scheduled to be held around early December to late December 2025. If the Offeror makes such request, the Company plans to comply with such request.

(6) Measures for Ensuring the Fairness of the Tender Offer Price, Measures for Avoiding Conflicts of Interest, and Other Measures for Ensuring the Fairness of the Tender Offer

[6] Securing an objective state where the fairness of the Tender Offer is ensured

(Before Amendment)

The Offeror has set the Tender Offer Period to 40 Business Days, while the minimum purchase period is 20 Business Days under laws and regulations. By setting the Tender Offer Period to be comparatively long compared to the minimum period under laws and regulations, the Offeror intends to ensure an opportunity for all shareholders and Share Acquisition Rights Holders of the Company to appropriately determine whether to tender their shares or Share Acquisition Rights in the Tender Offer, and to ensure an opportunity for a person making a competing acquisition offer to present competing acquisition offers, etc. to be made for the Company Shares, and thereby ensuring the fairness of the Tender Offer Price.

Additionally, the Offeror and the Company have not made any agreements with provisions that prohibit contact with a person making a competing acquisition offer, including transaction protection provisions, or any agreements that limit contact between such a person making a competing acquisition offer and the Company. Thus, by adjusting the above purchase period to ensure an opportunity for competing acquisition offers, it is considered that the fairness of the Tender Offer is thereby ensured.

As described in “[1] Establishment of an independent special committee at the Company, and procuring a report” above, the Special Committee determined that not conducting the so-called aggressive market check (including the bidding procedures prior to the announcement of the Transaction), which investigates and reviews the existence of potential acquirers in the market, would not be particularly detrimental to the fairness of the Transaction in light of the details of the various measures implemented to ensure the fairness of the Transaction, including the Tender Offer, and other specific circumstances of the Transaction.
